Parents connect

Integricare Family Worker Project,
St George
In partnership with
Rockdale Public School

The Parents Connect supports families with:

- Increasing knowledge around where local services are located and how they can support your family
- Meeting other families from your community
- Organizing guest speakers and activities that reflect families needs
- Discussions around your child’s health and development

Family workers can also support families with:

- Parenting Program such as PPP, 1,2,3 Magic and Play Power
- Case management
- Home visiting
- Transition to school
- Early literacy

Come and join us and have some fun.
